

Vung Tau to Tay Ninh

Welcome to Vietnam!

We offer our travelers an opportunity to tour areas in and around Saigon once called *III Corps* or the former *Saigon Capital Area*. The tour is offered on your dates from January through April or October through December. We don't recommend travel during the wet season (May through September, but we can operate in these months if you have no other option).

This tour program is available for individuals, small groups or families. The cost depends on the number of travelers and whether you want us to include trans-Pacific flights. Some of our clients want to utilize their frequent flier points and book their own air travel.

This program extends from Vung Tau on the South China Sea, where many US Soldiers first came ashore, and others enjoyed an "in-country R&R," through Long Binh and Ben Hoa to the far northwestern corner of Tay Ninh Province, near the border with Cambodia, where the Viet Cong hid COSVN (Central Office for South Vietnam), their main headquarters.

Between those two points we visit Saigon, Cu Chi and the fabled tunnels, Dau Tieng in the Michelin Rubber Plantation, Tay Ninh City, Nui Ba Den ("the Black Virgin Mountain"), Katum, Go Da Ha, Trang Bang and numerous places along the route. Wherever possible, we will include "special places" nearby our travel route that our Veterans request.

Our tours are led by a Vietnamese guide proficient in the English language and experienced leading Americans.. Ground transportation is provided in modern air-conditioned vehicles with professional drivers.

Some US Veterans wonder how they will be greeted in Vietnam. The population of Vietnam has more than doubled since the war. Most were born after the war ended. To them the war is "ancient history." While the country has a one-party communist government, they abandoned Marxism almost 25 years ago, and the people have embraced capitalism. The United States is now Vietnam's #1 trade partner. The Vietnam Airlines fleet includes modern Boeing aircraft. KFC restaurants are all over the major cities and Ford Motor Company has an assembly plant outside of Hanoi. Americans are warmly welcomed in modern Vietnam.

We advise you to plan your tour with us six months or more in advance. We can work with you on a shorter lead time, but there may be difficulty confirming our most desirable accommodations.

Vietnam hosts over 3 million visitors each year. Flights fill up and hotels are often booked months in advance. Don't delay making your reservation. Each year we have to turn away applicants who wait too long to make their reservation. Act today to secure your reservation on this great tour program!

Tour Prices are based on the number of tour participants as shown in the itinerary, and on tariffs and rates (currency & exchange) known at the time of printing; prices are subject to adjustment without notice in event of changes to such rates prior to departure.

Airfares are subject to change without notice. Coach-class airfares are often non-refundable and/or subject to cancellation fees. Trip Cancellation Insurance is strongly recommended.

Hotels: Unless otherwise stated, all tour prices are based on two persons sharing a twin/double room. Applicable single supplements are indicated for those wishing single room accommodations. Single rooms are limited in quantity and are sometimes not of the same size or quality as twin/double rooms. We do not recommend triple rooms as they tend to be very crowded; in most cases, triple rooms are a twin room to which a cot has been added. There is no reduction in tour cost for triple rooms. If you wish to share a room and do not have a roommate, we will place you in a twin/double room with the next same-sex participant to register for the tour who also requests to share a room. If we are unable to match you with a roommate, you will be assigned to a single room and must pay the single supplement.

Deposits and Final Payments: A deposit of \$400 per person is required to effect reservations. This deposit forms part of your final payment which is due when billed but not later than 60 days prior to departure. Acceptance on tour is subject to verification of payment in full to MilSpec Tours.

Baggage: No responsibility is incurred by MilSpec for loss or damage to baggage or any of the passengers belongings. It is recommended that all passengers purchase baggage insurance.

Passports and Visas: A valid passport is required for all tour participants. Visas are required for this tour program and are included in the cost of your tour.

Smoking: Please note that for the safety and well-being of the group, smoking is not permitted in the van, on the motorcoach, or at group meals at any time.

Cancellations for unforeseen and valid reasons in advance of departure are entitled to a full refund less actual expenses incurred and a \$100.00 per person service charge, if written notice is received not later than 120 days prior to departure. If cancellation occurs between 119 and 60 days prior to departure, deposits will be refunded less \$175 per person service charge; less than 60 days prior to departure date, deposits will be refunded, less a \$300 per person service charge and any cancellation charges assessed against MilSpec Tours by hotels, transportation companies, airlines and other purveyors of services. Cancellations less than 30 days prior to departure are not refundable. Trip cancellation and interruption insurance is available and strongly recommended on all tours.

All claims for refunds must be made within 60 days after termination of the tour and must be accompanied by a statement from the Tour Manager, certifying exactly the services not taken. No refund can be made for unused transportation where group tickets or vehicles are involved. The tour operator and/or its agents can accept no responsibility for losses or additional expenses due to delay or changes in air, sea or other services, sickness, weather, strike, war, quarantine, or other causes. All such losses will have to be borne by the passenger, as tour rates provide for arrangements only for the time stated. The right is reserved to substitute hotels specified for others of similar category. The right is reserved to make minor adjustments in the itinerary. Prices are based upon current tariffs and are subject to adjustment in the event of change. The right is reserved to decline to accept or retain any person as a member of the tour.
